In the search to know what is to come, many turn to the Bible's prophets and prophecies for answers. Who were these people who supposedly could predict the future? Have their prophecies come true?

This accessible guidebook will help you understand 60 crucial Bible prophecies and avoid common misinterpretations. Without all the hype, Stan Guthrie clearly and concisely explains what each prophecy meant to those who first received it. Then he summarizes what it means for our understanding of God, ourselves, and the future, and provides resources for further individual or group study.
