A Girl and Her Pig April Bloomfield, JJ Goode

In *A Girl and Her Pig*, April Bloomfield takes home cooks on an intimate tour of the food that has made her a star. Thoughtful, voice-driven recipes go behind the scenes of Bloomfield's lauded restaurants—The Spotted Pig, The Breslin, and The John Dory—and into her own home kitchen, where her attention to detail and reverence for honest ingredients result in unforgettable dishes that reflect her love for the tactile pleasures of cooking and eating. Bloomfield's innovative yet refreshingly straightforward recipes, which pair her English roots with a deeply Italian influence, offer an unfailingly modern and fresh sensibility and showcase her bold flavors, sensitive handling of seasonal produce, and nose-to-tail ethos. A cookbook as delightful and lacking in pretention as Bloomfield herself, *A Girl and Her Pig* combines exquisite food with charming narratives on Bloomfield's journey from working-class England to the apex of the culinary world, along with loving portraits of the people who have guided her along the way.
