Talented interior decorator Kennon Cassidy had specific designs on what she wanted from life—and after another awful breakup, romance definitely wasn't in *that* picture. Still, when she accepted an assignment to transform the new home of a widowed doctor, she couldn't help but be captivated by his two vivacious girls...and the stoic man hiding behind them.

Heart surgeon Simon Sheffield thought he was making a fresh start. The doctor wasn't looking for any complicated connections—even with the beautiful designer who'd bewitched his children. But would he really need an X-ray to see that the vivacious Kennon was the prescription his family so desperately needed?
