An Enchantment of Birds: Memories from a Birder's Life Richard Cannings

In these delightful meditations, biologist and bird lover **Richard Cannings** weaves stories of his personal encounters with birds into fascinating descriptions of their behavior, anatomy, and evolution. He muses over the meadowlarks' ability to hide their nests so completely that he has seen only two in a lifetime spent searching for them; the trumpeter swan, as picky as a two-year old, devouring potatoes and carrots but turning up its beak at Brussels sprouts; the northern gannet, with its snowy plumage, black wingtips, and startling blue eyes; the little saw-whet owl, which dabbles in bigamy and even trigamy; and more than two dozen other birds. Covering the entire continent, from the cacophony of a seabird colony on the shores of the Atlantic to a symphony of snow geese on the autumn plains to songbird courtship in the alpine tundra of the Rockies, *An Enchantment of Birds* informs and entertains, in one fell swoop.

Reva Morison:

A lot of people always spent their very own free time to vacation or maybe go to the outside with them household or their friend. Do you know? Many a lot of people spent that they free time just watching TV, or perhaps playing video games all day long. If you wish to try to find a new activity here is look different you can read some sort of book. It is really fun for you personally. If you enjoy the book which you read you can spent the whole day to reading a publication. The book An Enchantment of Birds: Memories from a Birder's Life it doesn't matter what good to read. There are a lot of people that recommended this book. We were holding enjoying reading this book. If you did not have enough space to bring this book you can buy typically the e-book. You can m0ore quickly to read this book from a smart phone. The price is not very costly but this book features high quality.

Dale Eich:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this An Enchantment of Birds: Memories from a Birder's Life can make you really feel more interested to read.
