'Utterly engrossing. I found myself drawn into Schiele's reeling world with its reek of wet paint and sex.' Jon McGregor, author of

If Nobody Speaks of Remarkable Things

'Doesn't shrink from depicting the squalor of Schiele's existence and powerfully evokes his uncompromising talent' Guardian

The son of a railway inspector, Schiele rejects his bourgeois upbringing and flees in pursuit of artistic fulfilment. When he gains admission to the prestigious Academy of Fine Arts in Vienna, it seems that a glittering career lies ahead of him. But Schiele's talent drives him to portray the moral and physical squalor of the Habsburg capital, and he is rejected by an indignant and hypocritical art world. Forced to endure acute poverty and even imprisonment, Schiele continues to pursue his artistic mission, and in the last months of his life finally finds acclaim with those who had shunned him. In a lavish first novel of rare descriptive power and empathy, fuelled by a blend of research and literary imagination, Crofts succeeds in evoking the man as well as the artist. The result is a masterful, at times heartbreaking portrayal of Austria's most decadent and most misunderstood painter, and of the city which both inspired and destroyed him.

#### **Susan Negri:**

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's soul or real their passion. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Pornographer of Vienna can make you really feel more interested to read.
