Vamos que vamos (Spanish Edition) Ana Laura Lissardy
EDICIÓN MUNDIAL 2014

Prólogo de Jorge Valdano

"Así soy yo también", les dijeron a estos 24 los cientos y miles que les mandaron cartas o dejaron sus mensajes en internet. "Así soy yo también", les exclamaron los miles congregados en el Palacio Legislativo y en la caravana por la ciudad. "Así soy yo también", gritaron los uruguayos en el exterior y todos los que siguieron el Mundial por televisión. "Así soy yo también". Porque ellos son el país.

Ana Laura Lissardy en *Vamos que vamos*. Un equipo un país, traza los perfiles de los jugadores y lo hace con una sensibilidad muy especial, desde un lugar distinto al que comúnmente se los describe en el periodismo deportivo. La percepción aguda y sensible de la autora permite al lector entrever cómo la singularidad del carácter de cada integrante logró la sólida conformación del equipo celeste.

Lissardy los entrevistó en su descanso en Uruguay o en las remotas ciudades donde viven y juegan, en la intimidad de sus hogares, en cafeterías o en restaurantes. Los observó y recogió sus anécdotas y reflexiones, sus alegrías y tristezas, sus frustraciones y sus sueños.

En esta nueva edición 2014, sus protagonistas cuentan también cómo fue pasar del éxito de Sudáfrica y de la Copa América a oler la derrota en las eliminatorias. Cómo lo vivieron, y qué hicieron para superarlo y salir de eso reforzados. Incluye también un conmovedor prólogo de Jorge Valdano, y nuevas historias de los jugadores que no estuvieron en Sudáfrica 2010 pero sí en Brasil 2014.

Vamos que vamos cuenta con el apoyo de Fundación Celeste, y cada ejemplar vendido colabora con esta organización.

This Vamos que vamos (Spanish Edition) tend to be reliable for you who want to be considered a successful person, why. The main reason of this Vamos que vamos (Spanish Edition) can be one of many great books you must have will be giving you more than just simple reading food but feed you with information that maybe will shock your prior knowledge. This book is usually handy, you can bring it just about everywhere and whenever your conditions throughout the e-book and printed types. Beside that this Vamos que vamos (Spanish Edition) giving you an enormous of experience such as rich vocabulary, giving you demo of critical thinking that could it useful in your day activity. So , let's have it appreciate reading.

Tracy Laflamme:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Vamos que vamos (Spanish Edition) can make you really feel more

interested to read.
