A Strange Proximity: Stage Presence, Failure, and the Ethics of Attention

Jon Foley Sherman

A Strange Proximity: Stage Presence, Failure, and the Ethics of Attention Jon Foley Sherman

What happens in the relationship between audience and performer? What

choices are made in the space of performance about how we attend to

others?

A Strange Proximity examines stage presence as key to thinking about

performance and ethics. It is the first phenomenological account of ethics

generated from, rather than applied to, contemporary theatrical productions.

The ethical possibilities of the stage, argues Jon Foley Sherman, rest not

so much in its objects—the performers and the show itself—as in the “how”

of attending to others. *A Strange Proximity* is a unique perspective on the

implications of attention in performance.
