The plague of pornography is real, and it is growing. For those who are trapped by its power, the way out may seem impossible. President Gordon B. Hinckley spoke directly to those individuals struggling with an addiction to pornography: “May you plead with the Lord out of the depths of your soul that He will remove you from the addiction which enslaves you. And may you have the courage to seek the loving guidance of your bishop and, if necessary, the counsel of caring professionals.”

*Confronting Pornography* is a collection of chapters and essays from professional counselors and Church leaders, as well as from people who have overcome the addiction. This book is designed to offer help to those individuals caught in pornography's clutches and hope to all those who love them.
