How To Be An Alpha Male - Traits, Characteristics And Mind Set Of A True Alpha Male Nicolas Holden

Having the ability to be the alpha male is a skill that many seem to be losing.

While there is a time and a place for all types of behavior, it seems that being the alpha male has more practical uses than being the Beta male does. Allow yourself to be the strongest leader you can be, and the followers will come along.

But ask yourself this, what is an alpha male?

The Alpha Male is the man that people look up to in business meetings, the man that doesn't fear success, a man that is not afraid to fail, he has the women at the bar, and all the children want to be him when they grow up.

Many have the perception that to be an alpha male you need to step on people and put them down to boost yourself to the top. This book explains that a REAL alpha male is not a jerk.

There is a fine line between being secure and being pig-headed, but where does this line fall?

This book will outline some of the best ways that you can access your alpha male side without going too far.

These tips will help with not only the ladies, but in life and business as well.

How to be an Alpha male you will learn:

- The Mind set
- Specific traits of an alpha male
- Attitude and how to reprogram your thought process
- Adding Value to others
- How to refine your identity and personality
- How to Keep in good physical shape
- How to be a gentleman
- Principles of money and wealth

This book is simple and easy to follow, it will provide you with clear cut information to help you on your path to becoming an Alpha Male.

If you only take away one thing from this book, remember to be confident. There is no sexier quality in a man than his confidence.
