Every student in Ohio must pass the OGT - Are you ready for the OGT Mathematics exam? REA's OGT Mathematics test prep with bonus online tests helps you sharpen your skills and pass the exam! This second edition of our popular test prep provides the up-to-date instruction and practice high school students need to improve their math skills and pass this state-required exam. Based on Ohio's Academic Content Standards for Mathematics, the comprehensive review features student-friendly, easy-to-follow lessons and examples that reinforce the key concepts tested on the OGT mathematics exam, including:

- Data Analysis and Probability
- Geometry and Spatial Sense
- Measurement
- Patterns
- Functions
- Algebra

Focused lessons explain math principles in easy-to-understand language that's suitable for students at any learning level. Our tutorials and targeted drills increase comprehension while enhancing your skills. Color icons and graphics throughout the book highlight must-know concepts. Test-taking tips and strategies in each chapter give you an added boost of confidence so you can do your best on the exam. Four practice exams help you prepare for the OGT! The book contains two full-length practice exams that allow you to test your knowledge while reinforcing what you have learned. Two additional practice tests not found in the book are available online – for a total of four exams! Each practice test comes complete with detailed explanations of answers, allowing you to focus on areas in need of further study. Whether used in a classroom, at home for self-study, or as a textbook supplement, Ohio teachers, parents, and students will consider this book a “must-have” prep for the OGT. REA test preps and software have proven to be the extra support students need to pass their challenging state-required tests. Our comprehensive test preps are teacher-recommended and written by experienced educators.
