Understanding Child and Family Welfare: Statutory Responses to Children at Risk

Marie Connolly, Kate Morris

Understanding Child and Family Welfare: Statutory Responses to Children at Risk Marie Connolly, Kate Morris

How do workers around the world balance risk and support to ensure that their practice meets the ever-changing needs of children and their families?

Renowned authors Marie Connolly and Kate Morris join forces to explore the frameworks and ideas which have shaped contemporary child and family welfare practice. From definitions of abuse to assessment models, they examine the knowledge base which lies at the heart of safe and effective statutory practice with children and families.

Drawing on examples from a range of English-speaking jurisdictions, the book explores:

- How to engage families, including participatory approaches and the role of the Family Group Conference;
- How to create positive out-of-home environments for children, discussing foster, kinship and residential care and adoption settings;
- How to improve professional decision-making through supervision and other organizational frameworks.

At a time when child welfare systems across the globe are undergoing review, *Understanding Child and Family Welfare* provides a timely exploration of the reform agendas which will shape future practice. With sharp analytic insights into the difficulties and dilemmas which characterize this field, it is fundamental reading for all students studying child and family support or child protection, as well as for practitioners working within children and family settings.

Like Understanding Child and Family Welfare: Statutory Responses to Children at Risk which is obtaining the e-book version. So , why not try out this book? Let's notice.

Tom Rivera:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's internal or real their passion. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Understanding Child and Family Welfare: Statutory Responses to Children at Risk can make you truly feel more interested to read.
