A Companion to Social Geography (Wiley Blackwell Companions to Geography)

A Companion to Social Geography (Wiley Blackwell Companions to Geography)

This volume traces the complexity of social geography in both its historical and present contexts, whilst challenging readers to reflect critically on the tensions that run through social geographic thought.

- Organized to provide a new set of conceptual lenses through which social geographies can be discussed
- Presents an original intervention into the debates about social geography
- Highlights the importance of social geography within the broader field of geography
