Dark and Disorderly Bernita Harris

I was standing there naked when my dead husband walked into my bathroom...

Lillie St. Claire is a Talent, one of a few who can permanently dispatch the spirits of the dead that walk the earth. Her skills are in demand in a haunted country, where a plague of ghosts is a civic nuisance.

But those skills are also feared by many citizens, who view Talents as near-demons. Her husband comes to see her as a Freak; so when Nathan dies after a car crash, she is relieved to be free of his increasingly vicious presence. Lillie expects to be haunted by Nathan's ghost, but not to become Suspect #1 for her husband's murder and reanimation.

But what's most surprising of all is the growing attraction between her and psi-crime detective John Thresher. He thinks that Lillie killed Nathan—and Nathan must agree, because his zombie is seeking revenge. Now she and Thresher must work together to solve her husband's murder—before his corpse kills her...
