# Freedom Hill: A Poem

L.S. Asekoff

**Freedom Hill: A Poem** L.S. Asekoff

Receipient, 2013 Guggenheim Fellowship

Winner, 2012 Witter Bynner Award and Fellowship

L. S. Asekoff's *Freedom Hill* is a dramatic monologue divided into three sections. The first concerns the speaker's visit with his aging parents and the death of his father. The second, set at an art party, is a meditation on women, desire, and the nature of the self. In the third, we witness the effects on the speaker of a cerebral stroke, along with his gradual recovery. As readers of Asekoff's unique body of work have come to expect, this highly allusive poem encompasses a wide range of subject matter: Heidegger, C-SPAN, modern art, aging, capitalism, religion. Also familiar will be Asekoff's great variety of tone and verbal ingenuity. Although indebted to high modernism, *Freedom Hill* is an ambitious, thoroughly contemporary meditation on issues very much of the present.
