Los Kirchner: La política de la desmesura 2003-2008 (Spanish Edition) Joaquín Morales Solá

Cada una de sus columnas fue una crónica a la vez que un análisis lúcido acerca del proceso político que permitió transformar a un hombre votado por apenas el 22% de los argentinos en un fenómeno de concentración de poder pocas veces visto en la breve historia democrática argentina. Pero más allá de la crónica y el análisis, Morales Solá supo ver -para enojo del matrimonio Kirchner, que muchas veces usó los atriles para criticarlo- cómo aquel poder hegemónico iba dejando fisuras institucionales, heridas políticas, problemas económicos irresueltos, curiosas interpretaciones históricas que degradarían con mayor rapidez que la que fue necesaria para construir el sistema creado por la pareja gobernante.

Este libro se lee como un ensayo en tiempo presente y como un drama en varios actos. Cada columna seleccionada por Bartolomé de Vedia parece haber sido escrita ayer mismo. Los personajes principales son siempre los mismos, los secundarios entran y salen de la escena.
