**Los maletines (Nuevos Tiempos) (Spanish Edition)** Juan Carlos Méndez Guédez

Una historia vertiginosa, llena de emociones. Literatura de altos quilates.

«Hace una década larga que Méndez Guédez se cuenta entre los más brillantes (pero también sigilosos) narradores del panorama latinoamericano. Hoy, en la madurez de su precisión literaria y en la plenitud de su humor triste, sospecho que con este libro ya no tendrá escapatoria. Por fortuna, sus lectores tampoco.»

Andrés Neuman

Donizetti vive al límite de sus posibilidades: dos hijos, una esposa, una exesposa y dos casas que sostener con sus mermados ingresos. Por eso acepta una enigmática misión: trasladar maletines desde la convulsa Caracas hacia ciudades como Roma, Ginebra, París o Madrid, con la condición de nunca realizar preguntas sobre el sentido de esos viajes o el contenido de los maletines.

Pero el entrañable reencuentro con Manuel, su amigo de juventud, despierta en él la determinación de dar a su existencia el giro que le permita salvar a su familia de una realidad marcada por la violencia.

En medio de un universo personal poblado de delincuentes comunes, paramilitares, traficantes de armas, espías y sicarios, Donizetti emprende un arriesgado plan para obtener una importante suma de dinero y ejecutar el gran golpe que transformará para siempre su vida y la de sus hijos.
