This book began as a popular 18 booklet Bible Study series. In this new work, we gather together all the rich content of the series, order it around the Nicene Creed, and present it in one accessible volume so readers can access the facts they need.

As Lutherans interact with other Christians, they often find themselves struggling to explain their beliefs and practices. Although many Lutherans have learned the “what” of the doctrines of the Church, they do not always have a full scriptural foundation to share the “why.” When confronted with different doctrines or denominations, they sometimes cannot clearly state their faith—much less understand the differences.
