What a grasp the mind would have if we could always hold the victorious attitude toward everything!

Sweeping past obstacles and reaching out into the energy of the universe it would gather to itself material for building a life in its own image.

To be a conqueror in appearance, in one's bearing, is the first step toward success. It inspires confidence in others as well as in oneself. Walk, talk and act as though you were a somebody, and you are more likely to become such. Move about among your fellowmen as though you believe you are a man of importance. Let victory speak from your face and express itself in your manner. Carry yourself like one who is conscious he has a splendid mission, a grand aim in life. Radiate a hopeful, expectant, cheerful atmosphere. In other words, be a good advertisement of the winner you are trying to be.
