Earth Angels Susan Duke

Susan Duke tells the stories about human inspiration of ordinary people that inspire and move our hearts demonstrating a touch of Heaven right here on Earth in this inspiration collection.

The best stories—the ones that touch our hearts at their very cores, the ones that inspire us to our greatest heights—are true stories of ordinary people we can relate to. People who share a kind word in time of need, do a simple deed that lifts a weary heart, or make a difference in a difficult day. The stories in this book are not about great, winged celestial beings sent from heaven's majestic gates. No, these stories are about *earth* angels. The kind of angels who unknowingly intercept a suicide attempt through a gentle act of kindness, beam messages of hope over an old CB radio, or provide patient care in a duck suit. As you read the stories in this book, your spirit will be inspired and the strings of your heart tuned to opportunities for you to be a little bit of heaven right here on earth.
