Growing Grateful Kids: Teaching Them to Appreciate an Extraordinary God in Ordinary Places (Hearts at Home Books) Susie Larson

Even when economic times are tight, our children enjoy an abundance of material possessions. Yet amidst all this wealth, discontentment and competition seem to be on the rise. Instead of teaching children virtues such as gratefulness and patience, many parents are bending over backwards to get their children the latest and greatest item - or feeling guilty when they can't. With the currents of materialism and entitlement flowing so strong, how do we raise kids who are simply thankful?

With simple language, interesting anecdotes, and biblical applications, Susie Larson helps readers understand that although teaching perspective and gratitude to our children is critical, it is not difficult.
