**Oneness Embraced: Reconciliation, the Kingdom, and How We are Stronger Together** Tony Evans

**We must learn to live together as brothers, or we will perish together as fools.**— Martin Luther King Jr.

With the Bible as a guide and heaven as the goal, *Oneness Embraced* calls God's people to kingdom-focused unity. It tells us why we don't have it, what we need to get it, and what it will look like when we do.

Weaving his own story into this word to the church, Tony Evans tells of a life spent between two worlds. As a young theologian he straddled black, urban culture and white, mainline evangelicalism. Now, three decades later, he offers seasoned reflections on matters of history, culture, the church, and social justice. In doing so he gives us a biblical and pastoral guide for striving for unity across racial and socioeconomic divides.

This call for unity is as timely as ever. If the church practices oneness, America will have a guide for becoming the one nation under God it declares itself to be.
