Revolución en la sala de clases (Spanish Edition) Varios Autores

Revolución en la Sala de Clases cuenta la historia de la primera generación de profesores de Enseña Chile. En total, son 23 profesionales de distintas disciplinas, que decidieron hacer clases por dos años y a tiempo completo en colegios vulnerables en Santiago, la Región de la Araucanía y Región de Los Ríos. Estos profesionales están llamados a transformar la sala de clases, aumentando significativamente los aprendizajes y la motivación de sus estudiantes y, a partir de esta experiencia, contribuir desde sus distintas áreas de influencia a que un día todos los niños en Chile tengan educación de calidad. Enseña Chile se basa en el exitoso modelo de Teach For America. A la fecha, más de 24.000 profesionales nortamericanos han enseñado a través de este programa, impactando la vida de 3 millones de estudiantes. Además, se ha convertido en un semillero de líderes, que lo han hecho ser considerado como uno de los 10 mejores lugares para comenzar una carrera profesional en Estados Unidos.
