Super Happy Party Bears: Knock Knock on Wood Marcie Colleen

The second book in a funny chapter book series filled with full color illustrations and adorable animals!

The Grumpy Woods dislike Wallace Woodpecker only slightly less than the Super Happy Party Bears. They find his pecking preposterously loud, but the bears think Wallace is beating a nice rhythm--it's great for early-morning dancercise! The bears convince Wallace he has great skills to offer the woods, and they give him ideas for unsolicited handy work. Instead of endearing him to the neighbors, it annoys them even more. Can the bears really help this noisy neighbor?
