The Hidden Chorus: Echoes of Genre in Tragic Lyric (Oxford Classical Monographs) L. A. Swift

The Hidden Chorus investigates the relationship between the chorus of Greek tragedy and other types of choral song in Greek society. Choruses performed on a range of occasions in Greek culture, ranging from private weddings and funerals to large-scale religious festivals, yet the relationship between these everyday or 'ritual' choruses and the choruses of tragedy has never been systematically examined. L. A. Swift discusses choruses from five ritual genres:

paian (religious songs of celebration or healing), epinikion (songs for athletic victors), partheneia (songs for the transitions of young girls), hymenaios (wedding song), and thrênos (funerary song), and explores how these choral forms are evoked in tragedy. By examining the relationship between tragic and non-tragic choral song, she not only provides new insights into individual plays, but also enriches our understanding of the role poetry and song played in Greek life.

Darlene Kidd:

As a pupil exactly feel bored to be able to reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know

that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Hidden Chorus: Echoes of Genre in Tragic Lyric (Oxford Classical Monographs) can make you experience more interested to read.
