The Remnant Richard T. Case

It is too late for national repentance and hoping that our nation will ever again return to being a “Nation under God, indivisible, with liberty and justice for all – blessed in every way by God”. Warnings of judgments are clear, and what is coming will be devastating to our way of life. There are even more signs and wonders, all pointing us to understand the devastating things about to happen, and more importantly: there is good news! Our only hope is to join God’s Remnant. His Covenant of blessing and protection is still available for all who heed the warning and join the Remnant. This may be the most important book you read this year, before it is too late. Hear the Father's words as you look through and process what He says about the things to come.
