Undying Hunger (The Enclave Series) Jessica Lee

All she can remember is hunger...for him.

A year ago, Alexandria Stevens strode through the doors of Wicked Ways and into the arms of a man-a monster, really-who stole everything from her. Her memory. Her life. Now she's a creature of darkness with only hazy images in her mind of that night and a confusing jumble of emotions. A fierce hate...and an even fiercer desire for Markus Santini.

Markus has walked through this world for more than a hundred years, knowing exactly who and what he was, until Alexandria undid it all. Undid *him*. When a former vampire colleague threatens one of the Enclave's own, Markus is needed-but only as the dark, powerful creature he once was. And in order to become that, he must find redemption...in the arms of a woman who despises him with every breath she can no longer take.
