Meditazione sui colori (Italian Edition) Peri Cesare

Questo libro costituisce un raro corso completo di teoria e pratica (80 esercizi) sulle valenze energetiche e simboliche dei colori, il “linguaggio emozionale dell’inconscio”. È un’agevole guida alla Meditazione cromatica, che permette non solo di comprendere perché si sentiamo attratti o respinti da determinati colori e quale influenza essi esercitino su di noi attraverso l’ambiente che ci circonda e gli stessi abiti che indossiamo, ma anche di seguire un percorso pratico finalizzato al benessere fisico e interiore facilmente adattabile alla vita quotidiana.

Questo Corso teorico e pratico di Meditazione cromatica intende offrire materiale utile affinché ciascuno impari a leggere i colori con cui tinge, spesso inconsapevolmente, la propria realtà e di conseguenza a capire meglio se stesso e gli altri. Dopo un’esposizione pratica e dettagliata sugli effetti psico-somatici dei colori in ogni aspetto della vita quotidiana l’analisi si estende dagli stati d’animo ai livelli di coscienza, fino ad una lettura cromatica integrale dell’essere umano nelle sue componenti (Parte teorica). La seconda parte del libro invita a “vivere i colori” attraverso la Meditazione cromatica (Parte pratica), con riferimenti ai chakra e con tecniche di respirazione, visualizzazione e rilassamento. Tra gli ottanta esercizi raccolti nelle dieci lezioni si potranno scegliere ed eseguire quotidianamente quelli che risultano più piacevoli e congeniali, in un determinato momento della giornata riservato alla personale pratica “ricreativa”.
