**Papas, Imperadores e Hereges na idade média (Portuguese Edition)** José D'Assunção Barros

A história da Igreja e da religiosidade medievais é certamente marcada por tensões e conflitos diversos, não apenas entre a Igreja e os poderes constituídos, como também entre a Igreja oficial e as novas formas de religiosidade que começam a se afirmar neste período. Este entrelaçado de relações é o objeto dos seis ensaios reunidos neste livro. Do surgimento das Heresias e das ordens menores às relações entre Papado e Império, ou à constituição de um imaginário específico no qual a religião desempenha um papel particularmente importante, o livro Papas, Imperadores e Hereges na Idade Média procura examinar os diversos atores envolvidos nesta complexa história que fornece uma das raízes das sociedades europeias e americanas do mundo moderno.
