This is My Body: Hearing the Theology of Transgender Christians Christina Beardsley, Michelle O'Brien

Much has been said and written about Trans people by theologians and church leaders, but little has been heard from Trans Christians themselves. This book collects the theological reflections of the Sibyls, a major spirituality group for transgender people and their allies. It offers a comprehensive review of existing theological, cultural and scientific literature, together with people's experience of gender dissonance that involves negotiating the boundaries between one's identity and religious faith.
