**LARAMIE SHOWDOWN:** When a passel of murdering gunmen slaughtered his woman, Buckskin Lee Morgan swore he'd see all the S.O.B.S rotting in the ground. Following their trail to Laramie, he set a trap baited with the sultry sirens at the local house of sin. Spending his nights sampling the merchandise, he passed his days savoring his revenge. And when he ran into the bastards, they would have just enough time to pray for merciful death before he blasted them to hell.

**DOUBLE ACTION:** When Morgan rode into Silverville, California, six hard cases kicked him unconscious, shot him full of holes, and left him for dead. But a beauty named Faith nursed him back to health with a little medical hope and a lot of bedside charity. Although Morgan was better in no time, he couldn't remember anything about his attackers except the sneering face of the last man to fire on him—and that unlucky hombre would be the first to die.
