Miami architecture is world renowned, but many historic treasures have been forgotten. The Richmond Naval Air Station was a blimp base destroyed by hurricane in 1945. A Cold War missile base lies covered in graffiti. Homestead's old Aerojet complex was originally used in the testing and construction of experimental rockets but was slowly demolished as part of a project to revitalize the Everglades. The Miami Marine Stadium was declared unsafe after Hurricane Andrew in 1992 and stands abandoned today. Author and "Abandoned Florida" blogger David Bulit revives the history and secrets of the Magic City's vanishing gems.
