Economia Mixta: Mas alla del capitalismo (Spanish Edition)

Guillermo Sullings

Economia Mixta: Mas alla del capitalismo (Spanish Edition) Guillermo Sullings

Esta obra está dirigida al lector no especializado, y su interés es el de introducirnos, del modo más sencillo posible, en el mundo de la economía, incorporando nuevos puntos de vista que puedan servir como aporte en la búsqueda de un sistema económico al servicio del ser humano.

De ninguna manera los temas aquí tratados quedan agotados, sino que este es más bien el punto de partida hacia otros desarrollos futuros. Se ha tratado de expresar las ideas en el lenguaje lo más simple posible, incorporando algunos necesarios pero sencillos tecnicismos.

En la primer parte, conformada por tres capítulos, se efectúa un breve repaso acerca de los sistemas económicos, para luego analizar algunos temas fundamentales de la economía, terminando con las propuestas para un Sistema de Economía Mixta.

En la segunda parte, se incluyen tres apéndices: uno con la transcripción de algunas propuestas desarrolladas en diversas ocasiones, referidas a la particular situación de la economía argentina; el segundo, complementario del primero, incluye una serie respuestas dadas por el autor ante consultas recibidas. En el tercer apéndice se incluyen tres relatos pedagógicos, en forma de cuento.”
