Those who work with children—teachers and home-schooling parents, continually search for print material and media resources that will “help me help my kids!” *Five Skills to Learning How to Learn* provides practical materials and easy to follow activities to help educators and parents nurture, guide, and facilitate learning with their children.

This book has been written for the purpose of preparing children for a lifetime of learning. Durham does this with the five essential skills: Logic, Critical Thinking, Problem Solving, Investigating, and Experimenting. These skills will help children in deciphering, analyzing, assessing, and summarizing all the material they are learning.
