If I Were You Leslie Margolis

Be careful what you wish for. A refreshing twist on the *Freaky Friday* set-up, *If I Were You* by Leslie Margolis is a fun, touching middle-grade story about friendship, family, and overcoming jealousy.

Katie is jealous of her best friend, Melody. Turns out that Melody is jealous of Katie, too. It's the end of what was supposed to be the best summer of their lives, before they start middle school, and the girls aren't on speaking terms. They've had a big fight over-what else?-a boy. When the two girls wish for the exact same thing at the same moment-to redo the summer as each other-their wishes are granted. But, as the girls will learn, sometimes the grass isn't always greener on the other side.
