Abraham Lincoln. Por la libertad (Spanish Edition)

Abraham Lincoln

Abraham Lincoln. Por la libertad (Spanish Edition) Abraham Lincoln

Una recopilación de citas republicanas para conmemorar los 150 años de su fallecimiento.

Abraham Lincoln es una figura fundamental de la historia universal. Su lucha política y ética contra la esclavitud, su papel esencial en la victoria de la Unión en la Guerra de Secesión y su trágica muerte a manos de John Wilkes Booth, un actor simpatizante de los secesionistas, lo han convertido en un referente de visión política e integridad moral. Sin embargo, Lincoln destaca también como el más elocuente de los presidentes norteamericanos: parecía tener una opinión formada sobre prácticamente todos los temas importantes de la vida política, social y cultural de su época, y supo resumir en dos magistrales discursos (cortos, concisos y emotivos) el verdadero significado de la guerra civil que desangró el país y cuál debía ser el futuro de la Unión.

Sus reflexiones se centraron en la educación, la familia, el matrimonio, la vida, la muerte, la ley y las figuras políticas y militares contemporáneas. En esta breve recopilación se reúne lo mejor del pensamiento, el ingenio y el humor de un personaje esencial en la construcción de los Estados Unidos.

«Las malas promesas es mejor romperlas que mantenerlas.»

«Estoy a favor de dar una oportunidad a los hombres blancos partidarios de la esclavitud para que la prueben por sí mismos.»
