Advanced French Grammar

Monique L'Huillier

Advanced French Grammar Monique L'Huillier

This 1999 reference grammar, written for advanced students of French, their teachers, and others who want a better understanding of the French language, combines the best of modern and traditional approaches. Its objective is not only practical mastery of the language, but familiarity with its structure. Taking into account modern linguistic research, Advanced French Grammar approaches the French language primarily through the study of syntactic structures, but without excessive emphasis on formalism. It provides a generous number of examples, based on the author's own experience of teaching French to English-speakers, to help the student to understand the different meanings of apparently similar syntactic alternatives. The norms of 'correct expression' are given together with current usage and deviations, and appendixes provide information on the 1990 spelling reforms and on numbers. A substantial index of French and English words and of topics provides easy access to the text itself.

From reader reviews:

Kirsten Muncy:

Book is usually written, printed, or created for everything. You can recognize everything you want by a publication. Book has a different type. To be sure that book is important matter to bring us around the world. Beside that you can your reading proficiency was fluently. A guide Advanced French Grammar will make you to possibly be smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think this open or reading the book make you bored. It is not make you fun. Why they are often thought like that? Have you in search of best book or suitable book with you?

Thomas Barreto:

The book Advanced French Grammar has a lot info on it. So when you make sure to read this book you can get a lot of advantage. The book was published by the very famous author. Tom makes some research prior to write this book. This particular book very easy to read you can get the point easily after scanning this book.

Sarah Winship:

Why? Because this Advanced French Grammar is an unordinary book that the inside of the publication waiting for you to snap that but latter it will distress you with the secret that inside. Reading this book adjacent to it was fantastic author who write the book in such incredible way makes the content interior easier to understand, entertaining method but still convey the meaning totally. So , it is good for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of advantages than the other book have such as help improving your talent and your critical thinking way. So , still want to postpone having that book? If I were you I will go to the publication store hurriedly.

Harold Karr:

Your reading sixth sense will not betray an individual, why because this Advanced French Grammar guide written by well-known writer who really knows well how to make book which can be understand by anyone who all read the book. Written with good manner for you, leaking every ideas and publishing skill only for eliminate your personal hunger then you still skepticism Advanced French Grammar as good book not simply by the cover but also with the content. This is one guide that can break don't evaluate book by its deal with, so do you still needing one more sixth sense to pick this particular!? Oh come on your reading through sixth sense already told you so why you have to listening to another sixth sense.
