## Chavela and the Magic Bubble Monica Brown

Chavela loves chomping *chicle*—chewing gum. And she loves blowing bubbles even more. One day, while out with her *abuelita*, she finds a mysterious kind of gum she's never seen before. She pops it in her mouth and blows a giant bubble that lifts her up into the air and carries her on a magical journey.

Luscious, candy-colored paintings illustrate this fantastical story with an ecological twist. An afterword provides information on natural chewing gum, the rainforest, and sustainable farming, as well as music to a traditional Latin American folksong.
