**The Rut Hunters: Pursuit of the Whitetail Slam** Tom Miranda

## **Top tactics for whitetails from Tom Miranda...and many more of America's top hunters!**

Over thousands of years, whitetails have spread out across North America and adapted to new habitats, evolving into nearly 20 subspecies today.

In the pages of *The Rut Hunters*, join veteran bowhunter Tom Miranda as he looks into the challenges of hunting whitetails in the eight recognized territories of the North American Whitetail SLAM. With over 30 years of bowhunting experience, Miranda has assembled a team of top whitetail hunters to discuss the differences in habitat and habits, tactics and strategies for hunting white-tailed deer in the four corners of our continent.

Because of a whitetail buck's elusive nature, completing a Whitetail SLAM can be a difficult task. Yet with the knowledge acquired from this book, hunters can set out to achieve their goals when hunting mature, dominant bucks.
