The Truth War Study Guide: Fighting for Certainty in an Age of Deception John F. MacArthur

Right now, Truth is under attack, and much is at stake. Christians are caught in the crossfire of alternative Christian histories, emerging faulty texts, and a cultural push to eliminate absolute Truth altogether. As a result, many churches and Christians have been deceived. Worse still, they propagate the deception that poses itself as Truth! In *The Truth War Study Guide* John MacArthur reclaims the unwavering certainty of God's Truth and anchors Christians in the eternal, immovable promises that are found in His Word.

For those struggling with contemporary society's apparent willingness to redefine "truth", *The Truth War Study Guide*:

- Empowers Christians to claim the certainties that God promises
- Critical evaluation of postmodern trends
- Teaches Christians how to identify and address the errors and false teachings smuggled into their churches
- For small group discussion or individual study
