Clearly written lesson plans aimed at improving a range of social and physical skills, as well as stimulating children's imaginations through a series of exciting problems and scenarios. From saving an endangered animal to surviving an alien invasion, the children are placed in problematic situations in which they will need to work together to find a solution. Not only will the activities develop students' PSHE skills - building their self-esteem and helping them to work with a partner or small group - they will also develop essential movement skills: agility, balance and co-ordination.
