Antología del cuento chileno (Spanish Edition) Varios autores

Esta nueva Antología del cuento chileno reúne a un grupo de escritores y escritoras representativos del ejercicio literario desde la década del 90 a la actualidad. Se trata de una muestra rica y única volcada en la multiplicidad de estilos narrativos de los veinticinco relatos que la componen. Tras la selección que cada uno de los trece autores hiciera de sus cuentos, algunos repartidos en diversas publicaciones y los más, rigurosamente inéditos, queda develado el valioso arte de contar historias. Este muestrario es un testimonio donde se filtran los acontecimientos sociales, históricos y culturales de los últimos treinta años. Todos cuentan con un pluralismo estético asombroso que denota, sin alardes de ningún tipo, la singularidad literaria de los autores que componen este libro. En consecuencia y en virtud de la poca frecuente publicación de antologías de cuentos, este libro es necesario en tanto constituye un registro epocal y fascinante donde convergen algunos de los mejores cuentos contemporáneos chilenos del último tiempo.

Max G. Sáez
