Born to Bleed is the exciting sequel to the cult classic, The Summer I Died! It's been ten years since Roger Huntington suffered through the bloody events in Skinny Man's basement. Ten years since the game of chance, the dismemberment, the torture, and the grisly deaths. Roger has moved to California where he now works as a painter and pines after his co-worker, Victoria. It's a seemingly bland life, which is how he likes it. But just as he can't forget his past, he is about to discover that his future may hold far more terrifying events than anything he could possibly imagine.
