Book two in the Spirit World series

She knows better than to fall for that handsome bounty hunter from Hell, but why are forbidden things so wickedly irresistible?

Madeline Cartwright not only sees ghosts, spirits, and things that go bump in the dark, she's also a magnet for them. The unseen beings love hounding her to the point she's having a hard time functioning in real life. After her job interview is ruined by a gang of poltergeists, Maddie stumbles upon the entrance of Maison Plaisir and falls straight into the arms of a tall, dark, and handsome stranger—a man who makes her tormentors scatter to the four winds.

Once human and now a bounty hunter for the Pit, Hellhound Jean—Luc Berthier has forgotten many sides of his humanity until he meets Maddie. He offers her a pact—if she's willing to become his lover, he'll protect her from the spirits that ruin her life.

Jean-Luc smells like nothing but trouble and getting involved with him is the last thing she wants to do. But when a dark force uses her as a bargaining chip, Jean-Luc is the only person she can turn to. Even if that means she will have to surrender her body to his every desire...
