Alberto Palacios Boix

Las voces del cuerpo: 2 (Colección Debate) (Spanish Edition) Alberto Palacios Boix

Con esta obra, el autor busca responder a las preguntas que plantean quienes sufren enfermedades del cuerpo y del alma. En su concepción, el cuerpo físico y el cuerpo imaginario se confunden; de ahí la necesidad de hacerlos metáfora, revitalizarlos... En la consulta médica se revelan la historia y el drama de cada ser humano; en estas páginas se recopilan casos, soluciones y preocupaciones estéticas, morales y patológicas, con un enfoque humanitario total donde se mezclan la docencia, la investigación clínica y el trabajo diario con enfermos.

"Somos sujetos desde el dolor y la pérdida; eso mismo nos hace hombres y mujeres deseantes, atentos a la muerte para gozar la vida, en lo posible y en lo asequible, acaso nada más". Y nada menos.
