*Some family legacies are best left buried.*

Will Pallasso has brought his wife and young son, Billy, back to his childhood home to settle his late mother's affairs...and remove all traces of his haunted past. But now hideous memories are coming back to Will, and Billy has started suffering from night terrors. Returning to this house was a big mistake. Some memories should not be disturbed, and some nightmares will not stay buried forever.

Especially nightmares that wear greasepaint spattered with blood.
