Sent to Ashe, stuck between life and death, Maggie is living in a dream, remembering nothing of the battle to save the world or her love for Luc. There is only one way back—she must remember it all. But in leaving the perfection that is Ashe, she'll lose her mother all over again. Luc won't let Maggie go without a fight. Even as he watches her body withering before his eyes, eh refuses to give up on their love. Aided by trusted friends, Luc wages war to bring back the Phoenix he loves, even as a threat far bigger than Ossa lets his presence be known. When you are left with only one chance to get it all back, do you seize it, or do you burn the world to the ground?
