Ten Gretchen McNeil

From *Possess* author Gretchen McNeil comes this teen horror novel inspired by Agatha Christie's *And Then There Were None*. Perfect for fans of Christopher Pike's *Chain Letter* and Lois Duncan's *I Know What You Did Last Summer*, *Ten* will keep readers on the edge of their seats until the very last page!

It was supposed to be the weekend of their lives—an exclusive house party on Henry Island. Best friends Meg and Minnie are looking forward to two days of boys, booze, and fun-filled luxury. But what starts out as fun turns twisted after the discovery of a DVD with a sinister message: *Vengeance is mine*. And things only get worse from there.

With a storm raging outside, the teens are cut off from the outside world . . . so when a mysterious killer begins picking them off one by one, there's no escape. As the deaths become more violent and the teens turn on one another, can Meg find the killer before more people die? Or is the killer closer to her than she could ever imagine?

From reader reviews:

Ellen Weiss:

Here thing why this Ten are different and reputable to be yours. First of all reading a book is good but it really depends in the content of computer which is the content is as delightful as food or not. Ten giving you information deeper since different ways, you can find any e-book out there but there is no guide that similar with Ten. It gives you thrill reading through journey, its open up your own personal eyes about the thing this happened in the world which is possibly can be happened around you. It is possible to bring everywhere like in park, café, or even in your way home by train. When you are having difficulties in bringing the imprinted book maybe the form of Ten in e-book can be your alternative.

Andrea Lampkin:

Information is provisions for anyone to get better life, information presently can get by anyone on everywhere. The information can be a expertise or any news even restricted. What people must be consider whenever those information which is inside the former life are hard to be find than now is taking seriously which one is acceptable to believe or which one the resource are convinced. If you obtain the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take Ten as your daily resource information.

Gigi Brown:

Reading a book to be new life style in this yr; every people loves to examine a book. When you learn a book you can get a lot of benefit. When you read textbooks, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you want to get information about your research, you can read education books, but if you want to entertain yourself you are able to a fiction books, these us novel, comics, in addition to soon. The Ten offer you a new experience in studying a book.

Adam Hay:

What is your hobby? Have you heard that will question when you got students? We believe that that concern was given by teacher for their students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person like reading or as studying become their hobby. You have to know that reading is very important and also book as to be the factor. Book is important thing to add you knowledge, except your current teacher or lecturer. You see good news or update concerning something by book. Many kinds of books that can you go onto be your object. One of them is actually Ten.
