Construir al enemigo (Spanish Edition)

Umberto Eco

Construir al enemigo (Spanish Edition) Umberto Eco

Piezas que nacieron de un encargo o del puro divertimento donde Umberto Eco habla de los temas más variados, paseando con desenvoltura desde la literatura a la política o la astronomía, y donde cada escrito se convierte en una pequeña lección para el que lo lee.

El libro arranca con el texto titulado «Construir al enemigo», donde se insiste en las bondades de tener siempre a mano a un rival en quien descargar nuestras debilidades o faltas y, si ese rival no existe, pues habrá que crearlo. Le siguen otros textos que cabalgan de Dan Brown a Barak Obama y Angela Merkel, y una espléndida pieza que aborda el tema de Wikileaks, invitándonos a reflexionar sobre el poder del silencio en una sociedad donde el escándalo es moneda corriente.

En otros escritos sale a la luz la corrupción política italiana, aliñada con el cuerpo de mujeres hermosas y dispuestas a triunfar, pero alrededor de este tema tan manido el *professore* hila unsagaz discurso sobre el ruido mediático, especialmente creado desde los centros de poder para distraer al ciudadano medio y ocultar otras noticias importantes. Y de la política pasamos al *Ulises*, de Joyce, para descubrir una nueva opinión sobre esta novela que muchos mientan y pocos han leído.

Resumiendo, Eco tiene edad y condición para hablar de casi todo, enlazando temas que en apariencia parecen muy lejanos, y *Construir al enemigo* es el mejor ejemplo de una inteligencia privilegiada puesta al servicio de esos lectores que a la vida le piden algo más que titulares de periódico.
