As featured in the 6-part CNN SERIES "Finding Jesus"

FINDING JESUS explores six major artifacts, including the Shroud of Turin, the True Cross, and John the Baptist, that give us the most direct evidence about the life and world of Jesus. The book and attendant CNN series provide a dramatic way to retell "the greatest story ever told" while introducing a broad audience to the history, the latest controversies, and newest forensic science involved in sorting out facts from the fiction of would-be forgers and deceivers. The book and the show draw on experts from all over the world. Beyond the faithful, the book will also appeal to the skeptical and to curious readers of history and archaeology, while it takes viewers of the primetime TV series deeper into the story.
