## **I Was Wrong: The Meanings of Apologies** Nick Smith

Apologies can be profoundly meaningful, yet many gestures of contrition - especially those in legal contexts - appear hollow and even deceptive. Discussing numerous examples from ancient and recent history, *I Was Wrong* argues that we suffer from considerable confusion about the moral meanings and social functions of these complex interactions. Rather than asking whether a speech act 'is or is not' an apology, Smith offers a highly nuanced theory of apologetic meaning. Smith leads us through a series of rich philosophical and interdisciplinary questions, explaining how apologies have evolved from a confluence of diverse cultural and religious practices that do not translate easily into secular discourse or gender stereotypes. After classifying several varieties of apologies between individuals, Smith turns to apologies from collectives. Although apologies from corporations, governments, and other groups can be quite meaningful in certain respects, we should be suspicious of those that supplant apologies from individual wrongdoers.

#### **Arturo McDaniel:**

Playing with family in a very park, coming to see the coastal world or hanging out with friends is thing that usually you could have done when you have spare time, after that why you don't try matter that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love I Was Wrong: The Meanings of Apologies, you are able to enjoy both. It is very good combination right, you still would like to miss it? What kind of hang-out type is it? Oh seriously its mind hangout men. What? Still don't obtain it, oh come on its referred to as reading friends.

#### **Mary Oliveras:**

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this I Was Wrong: The Meanings of Apologies can make you really feel more interested to read.
